& Company  
+ Directors

I have seen no remarks upon the Clerical  
Protest. - Has any thing been done toward  
bringing about an emigration?<sup>?</sup>

If you send any thing to me, make one  
~~bundle~~ package of it, & deposit it in  
Mr. Willam's (our stage driver's) Box at  
the City Tavern - Brattle Street.

I be supplied with a number of copies  
of Thorne & Kimball's Book to sell at the  
time: - I speak of the cheap pamphlet form.  
Will you send me a copy of Professor  
Hovey's Book, on the same subject?

I intend my address to be a simple state-  
ment of facts gathered from the above sources.

- Our Christian regards to Mrs P. It would  
rejoice us to hear that the Lord was restoring  
her to health. But his will is best. May  
she enjoy the "strong consolation of those  
who have fled for refuge to lay hold  
of the hope set before them in the  
scripture.

An immediate reply to the above  
will greatly oblige your friend J. B. in chf

John Wards.
